To Whom It May Concern,

My name is Martin Kim and this is a reference for MelPro.

They recently completed extensive renovations on our 2-bedroom Victorian in Abbotsford. We were very happy with the professional job performed by the company. There was excellent communication with the team – in particular Tim who coordinated operations. The actual work done was extremely professional with Hadyn leading this and he was exceptional. They were always responsive to our needs, were flexible with options depending on financial constraints when necessary, and also had many good suggestions in addition to our plans already. The main sub-contractors who did extensive work on the electrics and plumbing were also very good.

I have no hesitation recommending Melpro. We are really pleased with the result of our renovations. We hope to have them do our second story renovations in a couple of year. Please don't hesitate to contact me by phone or email if you want further information.

Kind regards

Dr Martin Kim
